Dedicated hubs

To help attendees navigate the conference, the INTA Annual Meeting organisers have designated three areas of Central London as “hubs”, each easily accessible via the Tube.

- **Sunday 3rd May**
London Bridge / City of London: In the city's ancient commercial core, world-renowned venues await amidst historic streets and towering skyscrapers overlooking the Thames. Take the Tube to St Paul's, London Bridge or Bank stations to step right into the action.
- **Monday 4th May**
West End: This cultural hotspot buzzes with theatre-goers and illuminated piazzas, alongside streets lined with world-class restaurants and bars. Jump off at Covent Garden, Leicester Square, Piccadilly Circus, or Oxford Circus to join the excitement.
- **Tuesday 5th May**
East End: London's creative powerhouse offers a more relaxed, collaborative vibe. Explore events set in post-industrial spaces with a thriving nightlife scene. Accessible via the Tube at Shoreditch High Street, Old Street, or Liverpool Street stations.
